Paper No. 10
Entered: January 7, 2021

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

SAMSUNG ELECTRONICS CO., LTD.,
Petitioner,

v.

ULTRAVISION TECHNOLOGIES, LLC,
Patent Owner.

Case IPR2020-01354
Patent 9,916,782 B2

Before DENISE M. POTHIER, SCOTT DANIELS, and JAMES A. WORTH, *Administrative Patent Judges*.

POTHIER, *Administrative Patent Judge*.

DECISION
Settlement Prior to Institution of Trial
37 C.F.R. § 42.74

BACKGROUND

On December 15, 2020, the parties filed the following documents: (1) a Joint Motion to Terminate Proceeding Pursuant to 37 C.F.R. § 42.71 and 35 U.S.C. § 317 (Paper 8, "Joint Motion to Terminate") and (2) a true copy of the parties' settlement agreement (Paper 9). For the following reasons, we grant the parties' Joint Motion to Terminate.

The proceeding is still in its preliminary stage. Petitioner, Samsung Electronics Co., Ltd.[1], filed a Petition (Paper 2, "Pet.") requesting an *inter partes* review of claims 1, 3–6, 9–14, and 16 (the "challenged claims") of U.S. Patent No. 9,916,782 B2 (Ex. 1002, "the '782 patent"). Pet. 1. Patent Owner, Ultravision Technologies, LLC, filed a Preliminary Response (Paper 6, "Prelim. Resp."). We have not entered a decision whether to institute an *inter partes* review.

The Joint Motion to Terminate requests terminating this *inter partes* proceeding. Paper 8, 1. The parties represent that: (1) they have settled their dispute, (2) they have filed a joint motion to dismiss the suit, *Ultravision Technologies, LLC v. Samsung Electronics Co., Ltd*, Case No. 2:19-cv-00252-JRG-RSP (E.D. Tex.), as to all claims of the '782 patent, (3) the suit has been dismissed, and (4) they agreed to terminate this *inter partes* review. Paper 8, 2.

The Joint Motion to Terminate further requests treating the settlement agreement as business confidential, keeping the agreement separate from the underlying patent files, and making the agreement "available only as

[1] Petitioner identifies Samsung Electronics Co., Ltd., Samsung Display Co., Ltd., and Samsung Electronics America, Inc. as real parties-in-interest. Paper 2, 3.

provided in 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c)." Paper 8, 1; *see also* Paper 8, 2. The parties state they have filed a true copy of the confidential settlement agreement as required under 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(b). Paper 8, 1. The parties also certify that "[t]here are no collateral agreements." Paper 8, 1.

Based on the foregoing, we understand the filed agreement settles all disputes between the parties with respect to this proceeding. Under these circumstances, we determine that good cause exists to grant the motion to terminate.

ORDER

It is

ORDERED that the Joint Motion to Terminate is *granted*; and

FURTHER ORDERED that that the settlement agreement included in Paper 9 shall be treated as business confidential information and be kept separate from the patent file; and

FURTHER ORDERED that this proceeding is *terminated*.
