Declaration of Raymond Gonzales

I, Raymond Gonzales, hereby declare as follows:

1. I am a co-founder and Chief Operations Officer of Quasar Science LLC. I make the following statements in response to certain statements made in an alleged declaration of Mr. Zhang Ya Jun executed on August 15, 2018 at Dongguan, Guangdong, China, a copy of which is attached as Attachment A.

2. In his declaration, Mr. Zhang states:

> "In approximately 2013, I met a man I know as Ray Gonzalez, who is associated with a company known as Quasar Science. … Mr. Gonzalez had a lighting tube T-12 bi-color with the name Colt on the end with company logo. Mr. Gonzalez asked me if I could duplicate tube."

3. I disagree with Mr. Zhang's statements. I was never in China in 2013. I have only been to China one time, which was in 2019. I also have never met Mr. Zhang Ya Jun, whether in China or elsewhere, and I never asked Mr. Zhang or anyone else to duplicate a Colt bi-color tube.

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
