Counsel,

From the Board –

The parties are authorized to file a joint motion in each case to terminate the proceedings. Any agreement between the parties made in connection with the termination of the proceeding must be in writing and a true copy must be filed with the Board. 35 U.S.C. § 327(b); 37 C.F.R. § 42.74(b). The parties are also authorized to file a joint request to treat the settlement agreement as business confidential. 37 C.F.R. § 42.74(c). To the extent the parties have not yet finalized their settlement agreement, they should do so before the motions are filed. We expect the parties to file their joint motions no later than April 27, 2023, which is the current due date of Patent Owner's preliminary responses.
