Erik:

As to the 245 and 582 patent IPRs, we will request an in-person hearing and have no objection to it taking place in Alexandria, as long as the hearing date in the scheduling order does not change. We are not involved with the 218 patent IPR so Armond Wilson will need to respond separately regarding that hearing.

Regards,

Brian

Counsel for AMD,

Pursuant to the scheduling orders in these cases regarding meeting and conferring on in-person vs. remote hearings, Realtek requests AMD's position on whether it intends to seek an in-person hearing for these matters. Realtek's preference is for an in-person hearing. Given the panel change in these three proceedings, and as there are no longer any judges located in Denver, Realtek also intends to request clarification from the Board regarding whether the in-person hearing option can be moved from Denver to Alexandria. Please let us know if you have any comments to the below

REALTEK EXHIBIT 2008
AMD v. Realtek
IPR2023-00789

email.

Dear Board,

Counsel for Patent Owner respectfully requests clarification regarding the scheduling orders in these cases. The Scheduling Orders (Paper No. 13 in IPR2023-00788, Paper No. 10 in IPR2023-00789, and Paper No. 12 in IPR2023-00920) identify the Denver Regional Office as the location for the hearing. In view of the change of panel (Papers 24, 22, and 24 respectively), and as there are no longer any APJs assigned to these cases located in Denver, Patent Owner seeks clarification regarding whether an in-person hearing request for Alexandria is possible. Patent Owner has conferred with Petitioner and Petitioner [does not object to the hearing being in Alexandria if the Board is amenable].

The Parties can be available for a conference call at the Board's convenience if one should be necessary.
