As part of our continuous efforts to advance scientific research and accelerate its growth and innovation, we've reached our next major milestone.

We're proud to announce our newly formed Hongene Advisory Board: Phil Baran, Masad J. Damha, PhD, FCIC, and John Maraganore.

Wei Jiang, CEO of Hongene: "We are extremely honored to have such distinguished professionals form our new advisory board. Their collective expertise and thought leadership will undoubtedly bolster our innovative efforts and help us achieve our objective of advancing the field for the betterment of humanity."

Learn more about our board members below!
