DECLARATION OF CHRISTOPHER M. GERSON IN SUPPORT OF PATENT OWNER'S MOTION FOR *PRO HAC VICE* ADMISSION OF CHRISTOPHER M. GERSON UNDER 37 C.F.R. § 42.10(c)

I, Christopher M. Gerson, declare as follows:

1. I obtained a B.S.E. from Princeton University in 2002, and a J.D. from New York University School of Law in 2007.

2. I am currently a partner in the law firm of Schulte Roth & Zabel LLP, a position which I have held since April 2023. In my sixteen years of practice, I have focused primarily on representing clients in patent litigations involving computer architecture, mobile devices, wireless networks, telecommunications and other computer-implemented technologies, in United States district courts and at the International Trade Commission. Through this work, I have gained extensive experience as a litigation attorney, particularly in patent cases.

3. I am a member in good standing of the Bar of the State of New York, and am admitted to practice before the United States District Court for the Eastern District of New York and the United States District Court for the Southern District of New York.

4. I have not previously submitted an application to appear *pro hac vice* before the Patent Trial and Appeals Board. I am submitting an application in IPR2023-01209, IPR2023-01210, IPR2023-01211, IPR2023-01212, and IPR2023-01214 concurrently with this application.

5. I have substantial familiarity with the subject matter at issue in this proceeding. Patent Owner has asserted against Petitioner U.S. Patent No. 9,097,784

("the '784 patent"), the patent at issue in this proceeding. In the course of those proceedings, I have developed a strong familiarity with the '784 patent and the issues that may arise in this IPR.

6. I have never been suspended or disbarred from practice before any court or administrative body.

7. I have never had an application for admission to practice before any court or administrative body denied.

8. I have never been subject to any sanction or contempt citation imposed by any court or administrative body.

9. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.

10. I agree to be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et. seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

11. I declare under penalty of perjury that the foregoing is true and correct. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001

of title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
