ORDER

Conduct of the Proceeding
37 C.F.R. § 42.5

On July 25, 2025, the Board entered an Order outlining the scope, content, and timing of additional discovery. Paper 91 ("Post-Remand Order").[2] The Post-Remand Order set the week of September 8, 2025, for an Optional Hearing. Post-Remand Order 5. Patent Owner took the position that a hearing should be held and Petitioner took the position that a hearing "is not warranted or required." Paper 106, 2 (emphasis omitted). Nevertheless, the parties jointly stated that, "[s]hould the Board determine that a telephonic hearing on the privity issue is warranted and orders such hearing, the Parties are available any time on Friday, September 12, 2025." *Id.* Due to the unavoidable availability of a panel member, the Board had to cancel the hearing on September 12, 2025.

Accordingly, it is:

ORDERED that the parties meet and confer and provide mutually agreeable dates and times to reschedule the hearing during the week of September 15, 2025.
