Counsel:

The due date for Patent Owner to file its Response in these proceedings was September 23, 2024. Patent Owner filed a Response in IPR2024-00313, but not in IPR2024-00312.

Per the Consolidated Trial Practice Guide, "[w]here the patent owner elects not to file a response, the patent owner will arrange for a conference call with the Board to discuss whether or not the patent owner will file a request for adverse judgment." CTPG 66 (citing 37 C.F.R. § 42.73(b)).

As such, Patent Owner shall respond to this e-mail by no later than October 2 either (a) indicating whether or not it intends to file a request for adverse judgment; or (b) providing the Board with several dates and times that are mutually agreeable to the parties for a conference call with the panel.
