Case: IPR2024-00343
U.S. Patent No. 7,594,052 B2

PETITIONER'S REQUEST FOR ORAL ARGUMENT PURSUANT TO 37 C.F.R. § 42.70(a)

Pursuant to 37 C.F.R. § 42.70(a) and the Scheduling Order (Paper 12), Petitioner Qualcomm Incorporated requests an opportunity to present oral argument regarding the claims challenged in IPR2024-00343 (Patent No. 7,594,052). The Board has set a hearing on this matter for March 20, 2025. Paper 12, Due Date 8. Petitioner requests oral argument (without waiving consideration of any issue not listed below) to address the grounds on which the IPR Petitions were instituted, including the specific invalidity grounds raised in the Petition (Paper 3), any motions (including Motion(s) to Exclude) filed by either Petitioner or Patent Owner, any additional issues identified in Patent Owner's request for oral argument, and any additional issues on which the Board seeks clarification.

Petitioner requests that the oral argument be held virtually by videoconference (e.g., over Zoom), with Petitioner being granted the ability to display exhibits, including demonstrative exhibits, and portions thereof (e.g., by zooming in on and/or highlighting) during the oral argument.

Petitioner has conferred with Patent Owner regarding argument time and the parties have agreed that 60 minutes argument time for each party to address issues related to IPR2024-00343 is appropriate.

Petitioner notes that the hearing for this matter (IPR2024-00343) is scheduled for the same day (March 20) as the hearing for another IPR (IPR2024-00338) involving the same parties but a different patent. For the convenience of

arguing counsel, and if the Board does not have a preference, Petitioner would request that this IPR (IPR2024-00343) be argued first on March 20. Petitioner has conferred with Patent Owner regarding the order in which the IPRs are argued and understands that Patent Owner does not take a position on the matter.

Respectfully submitted,

Dated: February 6, 2025
