ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

[1] This Order applies to each of the above-listed proceedings. We exercise our discretion to issue one Order to be filed in each proceeding. Unless otherwise authorized, the parties shall not use this heading style in any subsequent papers.

Our July 15, 2025, Orders in these cases required the parties to confer and jointly file public versions of all sealed declarations and deposition transcripts by July 31, 2025. Paper 53, 7–9.[2] Otherwise, if redactions were not practicable for a particular declaration or deposition transcript, we required the parties to jointly file a notice by July 31, 2025, explaining why the declaration or transcript should remain sealed in its entirety. *Id.* The record does not reflect that any such redacted transcripts or notices were filed. We expect compliance with our Orders and remind the parties that we may impose sanctions for "fail[ing] to comply with an applicable rule or order in the proceeding." 37 C.F.R. § 42.12(a)(1).

The parties shall comply with our prior order by August 20, 2025. As we noted before, the panel expects that Patent Owner will take the lead on these actions given that Patent Owner's confidential exhibits are the focus of the sealed materials. The panel also expects that most or all declarations and transcripts will be amenable to redaction.

ORDER

Accordingly, it is

ORDERED that the parties shall confer and jointly file public versions of all sealed declarations and deposition transcripts by August 20, 2025, or, if redactions are not practicable for a particular declaration or transcript, the
