Dear Honorable Board,

Counsel for Patent Owner writes to notify the Board that Patent Owner has filed a Disclaimer under 37 CFR 1.321(a), disclaiming claims 1-30 in U.S. Patent No. 11,253,572 that are the subject of IPR2023-00884. The Disclaimer was filed via Patent Center with the U.S. Patent and Trademark Office today and is attached. As a result of the disclaimer, no challenged claims remain and Patent Owner therefore requests termination of the proceedings. Please advise whether any additional filings should to be made or any further steps taken to request termination of the present proceeding.

Regards,
Adam R. Brausa (Reg No. 60,287)
