Robert Cykiert, M.D. - Curriculum Vitae

ADDRESS: Robert Cykiert, M.D.
345 East 37th Street, Suite #210
New York, New York 10016

TELEPHONE: (212)-922-1430

FAX: (212)-922-1436

EMAIL: RobertCykiertMD@gmail.com

WEB SITE: http://nyulangone.org/doctors/1407865538/robert-c-cykiert

CERTIFICATION AND LICENSURE:

New York State License #131811; July 1976

Certified by the American Board of Ophthalmology; October 1981 - present

EDUCATION:

New York Medical College; M.D.; June 1976

Brooklyn College of the City University of New York; B.S.; June 1973

Lafayette High School; Brooklyn, NY; June 1969

POSTGRADUATE TRAINING:

Heed Ophthalmic Foundation Fellowship in Corneal and External Disease - Wills Eye Hospital - Thomas Jefferson University; Philadelphia, Pa.; July 1980 - June 1981

Chief Resident in Ophthalmology; Albert Einstein College of Medicine - Montefiore Medical Center, Bronx, N.Y. July 1979 - June 1980

Resident in Ophthalmology; Albert Einstein College of Medicine - Montefiore Medical Center; Bronx, N.Y.; July 1977 - June 1980

Internship in Internal Medicine; Lenox Hill Hospital; New York, N.Y. July 1976 - June 1977

MEDICAL PRACTICE EXPERIENCE:

General Medical & Surgical Ophthalmology, specializing in Medical and Surgical Corneal and External Diseases, Corneal Transplant Surgery, Refractive Surgery, Excimer Laser LASIK and PRK, Minimally Invasive Cataract and Implant Surgery; Contact Lenses. July 1981 - Present

ACADEMIC APPOINTMENTS, HOSPITAL AFFILIATIONS, ACTIVITIES:

Clinical Assistant Professor of Ophthalmology; New York University Medical Center; New York, N.Y.; 1981 - 1990

Clinical Associate Professor of Ophthalmology; New York University Medical Center; New York, N.Y.; 1991 - Present

Attending Surgeon - New York Eye and Ear Infirmary; New York, N.Y.; 1981 – Present

Attending Physician in Ophthalmology - Manhattan Eye, Ear & Throat Hospital; 1990 - Present

New York Eye and Ear Infirmary IPA and Physician Hospital Organization (PHO), Co-founder and on Board of Directors; 1998 - 2005

University Physicians Network, L.L.C. (UPN) Co-founder and on Board of Directors**;** 1996 – Present

COMMITTEES:

NYU Medical Center; Credentials Committee of the Medical Board;
August 2013 - Present

New York University Medical Center; Pharmacy and Therapeutics Committee of the Medical Board; 1983 - 1991

New York Eye and Ear Infirmary; Infection Control Committee ;1983 - 1993

New York University Medical Center; Chairman, Ophthalmology Peer Review Committee; 1987 - 1990

New York University Medical Center; Peer Review Committee of the Medical Board; 1985 - 1990

New York Eye and Ear Infirmary; Operating Room Committee; 1986 - 1992

Medical Advisory Board of the New York Eye Bank For Sight Restoration;
1988 - Present

Secretary, Medical Advisory Board of the New York Eye Bank For Sight Restoration;
1998-2000

AWARDS AND HONORS:

Heed Ophthalmic Foundation Fellowship in Cornea and External Disease;
Wills Eye Hospital; July 1980 - June 1981

Alpha Omega Alpha; New York Medical College; 1975

New York Magazine Best Doctors Issue: 2012 - 2021

PROFESSIONAL SOCIETY MEMBERSHIPS:

American Academy of Ophthalmology

LECTURES AND PRESENTATIONS:

1. Bacterial and Fungal Corneal Ulcers - North Shore University Hospital Department of Ophthalmology Grand Rounds; Long Island, N.Y.; June 2, 1981

2. Diagnosis and Management of Bacterial Corneal Ulcers - New York University Medical Center Department of Ophthalmology Grand Rounds; Nov. 18, 1981

3. Herpes Simplex Keratitis - New York University Medical Center Department of Ophthalmology Basic Science Course; Nov. 24, 1981

4. Herpes Zoster Ophthalmicus - New York University Medical Center Department of Ophthalmology Basic Science Course, Nov. 18, 1981

5. Anterior Segment Complications of Intraocular Lenses - New York University Medical Center Department of Ophthalmology Grand Rounds; April 28, 1982

6. Ocular Manifestations of Systemic Disease - New York University Medical Center Department of Medicine House Staff Rounds; June 24,1982

7. Anterior Segment Complications of Intraocular Lenses - New York Eye and Ear Infirmary Department of Ophthalmology Grand Rounds; August 3, 1982

8. Anterior Segment Complications of Intraocular Lenses Albert Einstein College of Medicine / Montefiore Hospital Department of Ophthalmology Grand Rounds; Bronx, N.Y.; Oct. 4, 1982

9. Ophthalmic Emergencies - New York University Medical Center Medical Student Ophthalmology Course; Oct. 18, 1982

10. Ophthalmic Emergencies - New York University Medical Center Medical Student Ophthalmology Course; Jan. 24, 1983

11. Corneal Diseases - New York University Medical Center Department of Ophthalmology Basic Science Course; Nov. 2,4, 1982

12. Corneal Anatomy and Physiology - New York Eye and Ear Infirmary Eighteenth Annual Review Course; Dec 3, 1982

13. Viral and Chlamydial Keratoconjunctivitis - New York Eye and Ear Infirmary Eighteenth Annual Review Course; Dec. 3, 1982

14. Ocular Manifestations of Collagen Vascular Diseases New York University Department of Medicine / Division of Rheumatology Rounds; Feb. 22,1983

15. Complications of Corneal Transplants - North Shore University Hospital Department of Ophthalmology Grand Rounds; Long Island, N.Y.; March 24, 1983

16. Herpes Simplex Ocular Infection - New York University Medical Center Department of Ophthalmology Grand Rounds; April 13, 1983

17. Ocular Manifestations of Systemic Disease - New York University Medical Center Department of Medicine House Staff Rounds; June 9, 1983

18. Corneal and External Diseases - New York University Medical Center Department of Ophthalmology Basic Science Course; Nov. 1,3, 1983

19. Corneal Physiology and Infectious Disease - New York Eye and Ear Infirmary Nineteenth Annual Review Course; Dec. 9, 1983

20. Herpes Zoster Ophthalmicus - Manhattan Eye, Ear and Throat Hospital "Red Eye Conference"; Dec. 10, 1983

21. Corneal Complications of Intraocular Lenses - New York Academy of Medicine Section on Ophthalmology and New York Society for Clinical Ophthalmology Meeting; Jan. 9, 1984

22. Ocular Emergencies - New York University Medical Center Medical Student Ophthalmology Course; Jan. 20, 1984

23. Herpes Zoster Ophthalmicus - New York University Medical Center Department of Ophthalmology Grand Rounds; Feb. 1, 1984

24. Corneal Complications of Intraocular Lenses - Lincoln Hospital Department of Ophthalmology Grand Rounds; Bronx, N.Y.; Feb. 8, 1984

25. Corneal Complications of Intraocular Lenses - Brookdale Hospital Department of Ophthalmology Grand Rounds; Brooklyn, N.Y.; Feb. 9, 1984

26. Ocular Complications of Rheumatologic Disorders - New York University Medical Center Department of Medicine / Division of Rheumatology Grand Rounds; April 3, 1984

27. Corneal Complications of Intraocular Lenses - New York University Medical Center Department of Ophthalmology Basic Science Course; Nov. 9, 1984

28. Corneal Physiology - New York University Medical Center Department of Ophthalmology Basic Science Course; Nov. 9, 1984

29. Ocular Herpes Simplex Infections - St. Vincent's Hospital and Medical Center Department of Ophthalmology Grand Rounds; New York, N.Y.; Dec. 19, 1984

30. Ocular Trauma and Emergencies - New York University Medical Center Medical Student Ophthalmology Course; Jan. 21, 1985

31. The Eye in Cutaneous Disease: Medical and Surgical Approaches New York University Medical Center Department of Dermatology "Advances in Dermatology Symposium"; April 26, 1985

32. The Eyelids and Tear Film in Refractive Keratoplasty - Manhattan Eye, Ear and Throat Hospital "Refractive Keratoplasty Update"; May 18, 1985

33. Corneal Physiology - New York University Medical Center Department of Ophthalmology Basic Science Course; Nov. 5, 1985

34. Corneal Complications of Intraocular Lenses - New York University Department of Ophthalmology Basic Science Course; Nov.. 5, 1985

35. Corneal Physiology and Infectious Disease - New York Eye and Ear Infirmary Annual Ophthalmology Review Course; Feb. 15, 1985

36. Treatment of Viral Keratitis - Manhattan Eye, Ear and Throat Hospital "Seminars in Ophthalmology - The Cornea: Practical Management Innovations"; Jan. 25, 1986

37. Herpes Simplex Keratitis - Montefiore Medical Center Department of Ophthalmology Cornea Lecture Series; Bronx, N.Y. April 1, 1986

38. Herpes Zoster Infection of the Anterior Segment of the Eye St. Vincent's Hospital and Medical Center Department of Ophthalmology Grand Rounds; New York, N.Y.; May 2, 1986

39. Management of Pseudophakic Bullous Keratopathy - Albert Einstein College of Medicine / Montefiore Medical Center Department of Ophthalmology Twelfth Annual Symposium, George Wise Day; June 20, 1986

40. Corneal Physiology - New York University Medical Center Department of Ophthalmology Basic Science Course; Sept. 16, 1986

41. Corneal Complications of Intraocular Lenses - New York University Medical Center Department of Ophthalmology Basic Science Course; Sept. 16, 1986

42. Corneal Dystrophies - St. Vincent's Hospital and Medical Center Department of Ophthalmology Grand Rounds; New York, N.Y.; Jan. 9, 1987

43. Corneal Physiology and Infectious Disease - New York Eye and Ear Infirmary Annual Ophthalmology Review Course; March 13, 1987

44. Evaluation and Management of the Red Eye - New York University Medical Center Post Graduate Medical School and Bellevue Hospital Center Seventh Annual Emergency Medicine Seminar; May 15, 1987

45. The Role of Flurbiprofen in Maintaining Mydriasis During Cataract Surgery Brooklyn Ophthalmologic Society; Brooklyn, N.Y.; Nov. 23, 1987

46. Ocular Emergencies - New York University Medical Center Medical Student Ophthalmology Course; Jan. 29, 1987

47. Corneal Inflammation and Infectious Disease - New York Eye and Ear Infirmary First Annual Board and O.K.A.P. Review Course; Feb. 9, 1988

48. Corneal Physiology and Infectious Disease - New York Eye and Ear Infirmary Twenty Fourth Annual Survey Course -"Basic Subjects in Ophthalmology"; March 10, 1988

49. Update on Herpetic Corneal Infections - New York Society for Clinical Ophthalmology Spring Meeting; New York, N.Y.; March 12, 1988

50. The Recurrent Corneal Erosion Syndrome and its Management -Manhattan Eye, Ear & Throat Hospital - "Contemporary Highlights in the Management of Cornea & External Disease"; April 23, 1988

51. Herpes Zoster - Anterior Segment Ocular Complications- New York University Medical Center Department of Ophthalmology Grand Rounds; May 11, 1988

52. Evaluation and Management of the Red Eye - New York University Medical Center Eighth Annual Emergency Medicine Seminar; June 13, 1988

53. Herpes Simplex Ocular Infections of the Anterior Segment -New York University Medical Center Department of Ophthalmology Cornea and External Disease Course; June 20, 1988

54. Herpes Simplex Keratopathy - State University of New York, Downstate Medical Center Department of Ophthalmology Grand Rounds; Sept. 22, 1988

55. Corneal Physiology and Corneal Dystrophies - New York University Medical Center Department of Ophthalmology Basic Science Course; Sept. 27, 1988

56. Recurrent Corneal Erosions - New York University Medical Center Department of Ophthalmology Grand Rounds; Oct. 5, 1988

57. Ocular External Disease Emergencies - New York University Medical Center Medical Student Ophthalmology Course; Jan. 25, 1989

58. Ocular Involvement in Rheumatologic Disorders - Hospital for Joint Diseases Orthopaedic Institute, Division of Rheumatology Clinical Grand Rounds; N.Y., N.Y., Feb. 9, 1989

59. Herpes Simplex Virus Infections of the Anterior Segment-Albert Einstein College of Medicine and Montefiore Medical Center Department of Ophthalmology Basic Science Course; Bronx, N.Y.; Feb. 23, 1989

60. Cornea and External Disease - N. Y. Eye and Ear Infirmary Board and O.K.A.P. Review Course ; Feb. 28, 1989

61. Corneal Physiology, Inflammation and Infection - N. Y. Eye and Ear Infirmary Post Graduate Institute Review Course; March 7, 1989

62. Parasitic, Fungal and Chlamydial Infections of the Cornea - N.Y. Eye and Ear Infirmary Resident Cornea Course; March 15, 1989

63. Recurrent Corneal Erosions - St. Vincent's Hospital and Medical Center Department of Ophthalmology Grand Rounds; N.Y., N.Y.; March 17, 1989

64. Bacterial Corneal Ulcers - N. Y. Eye and Ear Infirmary Ophthalmology Resident Cornea Course ; March 3, 1989

65. Herpes Zoster Ophthalmicus - Interfaith Medical Center Department of Ophthalmology Grand Rounds; Brooklyn, N.Y.; March 5, 1989

66. Bacterial Corneal Ulcers - N.Y.U. Medical Center Ophthalmology Resident Cornea Course; March 17, 1989

67. Herpes Zoster Ophthalmicus - N. Y. Eye & Ear Infirmary Resident Cornea Course May 4, 1989

68. Techniques of Corneal Transplantation - N.Y.U. Medical Center Ophthalmology Resident Cornea Course Aug. 21, 1989

69. Corneal Transplantation - St. Barnabas Hospital, Bronx-Queens Nurses' Council Bronx, N.Y.; Sept. 7, 1989

70. Corneal Dystrophies in the Pediatric Age Group - N.Y. Society for Pediatric Ophthalmology and Strabismus; N.Y., N.Y. Sept. 12, 1989

71. Unusual and Interesting Corneal and Anterior Segment Disorders - St. Vincent's Hospital and Medical Center of New York Department of Ophthalmology Grand Rounds; Oct. 4, 1989

72. Herpes Simplex and Herpes Zoster Ocular Infections - N.Y.U. Medical Center Basic Science Course in Ophthalmology; Nov. 2, 1989

73. Corneal Complications of Cataract Surgery - N. Y. Eye & Ear Infirmary "Cornea and External Disease 1990: A Preview"; N.Y., N.Y. Dec. 2, 1989

74. Bacterial Corneal Ulcers - N.Y. Eye & Ear Infirmary Resident Cornea and External Disease Course; Jan. 3, 1990

75. Keratoconus - N.Y.U. Medical Center Department of Ophthalmology Resident Cornea and External Disease Course; Feb. 14, 1990

76. Chlamydial, Fungal and Parasitic Corneal Infections - N.Y. Eye & Ear Infirmary Resident Cornea and External Disease Course; Feb 22, 1990

77. Cornea and External Disease Course - N.Y. Eye & Ear Infirmary Ophthalmology Board and OKAP Review Course; March 20, 1990

78. Cornea and External Disease - N.Y.U. Medical Center Department of Ophthalmology OKAP Review Course; April 4, 1990

79. Skin and the Eye - N.Y.U. Medical Center Department of Dermatology "Advances in Dermatology Symposium" ; April 26, 1990

80. Corneal Dystrophies - N.Y.U. Medical Center Department of Ophthalmology Resident Cornea and External Disease Course; June 13, 1990

81. Herpes Simplex Keratitis, Conjunctivitis and Blepharitis - Brookdale Hospital and Medical Center Department of Ophthalmology Grand Rounds; Brooklyn, N.Y. Aug. 20, 1989

82. Corneal Physiology / Corneal Complications of Cataract and Intraocular Lens Implant Surgery - N.Y.U. Medical Center Department of Ophthalmology Basic Science Course; Nov. 1, 1990

83. Bacterial Corneal Ulcers: Diagnosis and Management - N.Y. Eye and Ear Infirmary Department of Ophthalmology Resident Cornea and External Disease Course; Jan. 3, 1991

84. Fungal, Parasitic and Chlamydial Ocular Infections of the Anterior Segment - N.Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease Feb. 20, 1993

85. Ophthalmology Boards and OKAP Review Course in Cornea and External Disease - N.Y.U. Medical Center Department of Ophthalmology Resident Course; March 6, 1991

86. Ophthalmology Boards and OKAP Review Course in Cornea and External Disease Course - N.Y.U. Medical Center Department of Ophthalmology; March 6, 1991, April 3, 1991

87. Ophthalmology Boards and OKAP Review Course in Cornea and External Disease - N.Y. Eye & Ear Infirmary Department of Ophthalmology; March 12, 1991

88. Diagnosis and Management of Exposure Keratitis - N.Y.U. Medical Center Department of Ophthalmology Resident Cornea and External Disease Course; June 23, 1991

89. Bacterial Corneal Ulcers - N.Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease - July 2, 1991

90. Herpes Simplex and Herpes Zoster Ophthalmicus - N.Y.U. Department of Ophthalmology Basic Science Course; Nov. 21, 1991

91. Secondary Implantation of a Scleral Sutured, Ciliary Sulcus Fixated Posterior Chamber Intraocular Lens in Corneal Transplant Surgery and in Aphakia - N.Y.U. Department of Ophthalmology Grand Rounds; Dec. 4, 1991

92. Update on Antibiotics in the Treatment of Infectious Corneal and External Disease - N.Y. Eye & Ear Infirmary Corneal and External Diseases 1992: A Current Perspective; Dec. 6, 1991

93. Bacterial Keratitis - N.Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease ; Jan. 2, 1992

94. Management of Pseudophakic Bullous Keratopathy with Sulcus Fixated Posterior Chamber Intraocular Lenses - St. Vincent's Hospital and Medical Center of New York Department of Ophthalmology Grand Rounds; Jan. 22, 1992

95. Ocular Complications of Diabetes Mellitus - American Diabetes Association "2000 Diabetes Eye Program"; N.Y., N.Y. Jan. 27, 1992

96. Fungal Keratitis - N.Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease; March 4, 1992

97. Cornea and External Disease - N.Y. Eye and Ear Infirmary Ophthalmology Board and OKAP Review Course; March 10, 1992

98. Keratoplasty: Techniques for Pseudophakic Bullous Keratopathy - N.Y. Society for Clinical Ophthalmology Spring Meeting - March 28, 1992

99. Clinical Pharmacology of Glaucoma Medications - N.Y.U. Medical Center Pharmacy Department Clinical Pharmacology Lecture Series; March 31, 1992

100. Herpes Simplex Keratitis - N.Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease; August 17, 1992

101. The Eye in Dermatologic Disorders: Acne Rosacea and Herpes Simplex - N.Y.U. Medical Center "Advances in Dermatology Symposium"; Oct. 23, 1992

102. Herpes Simplex and Herpes Zoster Infections of the Anterior Segment of the Eye - N.Y.U. Department of Ophthalmology Basic Science Course; Dec. 17, 1992

103. Fungal Keratitis - N. Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease; February 17, 1993

104. Cornea and External Disease - N.Y. Eye and Ear Infirmary OKAP Review Course March 23, 1993

105. Herpes Zoster Ophthalmicus - N. Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease, March 29, 1993

106. Bacterial Keratitis - N.Y. Eye & Ear Infirmary Resident Course in Cornea and External Disease; - May 17, 1993

107. Update on Infectious Diseases and Anterior Segment Surgery - American Society of Ophthalmic Registered Nurses 1993 Meeting; June 26, 1993, N.Y., NY

108. Diagnosis and Management of Bacterial Corneal Ulcers - N.Y. Eye & Ear Infirmary First Year Ophthalmology Resident Orientation Lectures ; July 7, 1993

109. Corneal Transplant with Transcleral Fixation of Posterior Chamber I.O.L. for Treatment of Pseudophakic Corneal Edema - Interfaith Medical Center Department of Ophthalmology Grand Rounds ; Brooklyn, NY; September 30, 1993

110. Corneal Transplant with Transcleral Fixation of Posterior Chamber I.O.L. for Treatment of Pseudophakic Corneal Edema - Brookdale Hospital Medical Center; Department of Ophthalmology Grand Rounds ; Brooklyn, NY, Oct. 25, 1993

111. Keratoconus - N.Y.U. Medical Center Department of Ophthalmology Monthly Cornea Conference; November 15, 1993

112. Advances in Eye Banking and Tissue Preservation N.Y. Eye and Ear Infirmary "Corneal and Refractive Surgery 1994: A Preview" Seminar; December 3, 1993

113. Herpes Simplex and Herpes Zoster Keratitis N.Y.U. Medical Center Department of Ophthalmology Basic Science Course; December 16, 1993

114. Management of Bacterial and Fungal Keratitis Lenox Hill Hospital Department of Ophthalmology Resident Cornea and External Disease Course; New York, NY January 5, 1994

115. Fungal Keratitis - New York Eye and Ear Infirmary Ophthalmology Resident Cornea and External Disease Course - February 2, 1994

116. Cornea and External Disease Course New York Eye and Ear Infirmary Board and OKAP Review Course - February 15, 1994

117. The Cornea and Anterior Segment Case Presentations: Common Problems, Difficult Solutions; Robert Cykiert, M.D.- Moderator - New York Academy of Medicine Section on Ophthalmology, February 28, 1994

118. Anterior Segment Dilemmas - New York University Medical Center Department of Ophthalmology Grand Rounds - March 9, 1994

119. Introduction to Ophthalmology - N.Y.U. Medical Center Department of Recreational Therapy, April 11, 1994

120. Herpes Zoster Ophthalmicus - N.Y. Eye & Ear Infirmary Resident Cornea and External Disease Course, May 25, 1994

121. Diagnosis and Management of Corneal Ulcers - N.Y. Eye & Ear Infirmary Resident Cornea and External Disease Course, July 7, 1994

122. Herpes Simplex and Herpes Zoster Keratitis - Saint Joseph's Hospital Department of Ophthalmology Grand Rounds; Queens, NY; September 15, 1994

123. Anterior Segment Disease in the HIV Positive Patient - Manhattan Eye Ear & Throat Hospital, Antimicrobials and Ophthalmology II Seminar; October 15, 1994

124. Ocular Manifestations of Dermatologic Disorders - Albert Einstein College of Medicine Department of Dermatology Grand Rounds; Bronx, NY; December 21, 1994

125. Bacterial Keratitis - N. Y. Eye & Ear Infirmary Resident Course in Cornea and ; External Disease; March 15, 1995

126. Herpes Zoster Ophthalmicus - N. Y. Eye & Ear Infirmary Cornea and External Disease Lecture Series for Ophthalmology Residents; May 3, 1995

127. Cornea and External Disease Case Presentations - N. Y. Hospital, Cornell Medical Center Department of Ophthalmology Grand Rounds; May 25, 1995
