BEFORE THE PATENT TRIAL AND APPEAL BOARD

---

RAVIN CROSSBOWS, LLC
Petitioner

v.

MCP IP, LLC
Patent Owner

---

Case No. IPR2024-00523
Patent No. 9,354,017

---

**UNOPPOSED MOTION TO SEAL**

In conjunction with the filing of Petitioner's Reply, Patent Owner files confidential and non-confidential versions of (1) Petitioner's Reply, (2) Mr. Hoff's deposition transcript (Exhibit 1016), and (3) Mr. McPherson's deposition transcript (Exhibit 1017) as directed by Appendix B of the Board's Consolidated Trial Practice guide (page 111).

Petitioner's Reply cites to and quotes from three documents which Patent Owner contends include confidential information. These documents are

(1) the Declaration of Mr. Hoff (Exhibit 2016), previously filed under seal by Patent Owner,

(2) the transcript from Mr. Hoff's deposition (Exhibit 1016) which discusses Exhibit 2016, and

(3) the transcript from Mr. McPherson's deposition (Exhibit 1017), which also discusses some of the information contained in Mr. Hoff's declaration and related business information.

Patent Owner states that the business justification for the motion to seal is presented in MCP's Motion to Seal the Hoff Declaration (Paper 14). The Parties have conferred, and Petitioner does not oppose Patent Owner's request to file these materials under seal.

Respectfully submitted,
