Case No. 8:23-cv-02013-AB-SHK

ORDER SCHEDULING ADDITIONAL DATES AND CORRECTING SCHEDULING ORDER

Before the Court is a joint stipulation by the parties to enter patent-related dates in this matter. Having reviewed the stipulation, and for good cause shown, the Court hereby **GRANTS** the stipulation and sets the following deadlines.

No.	Event	Stipulated Deadline
1	e-Vision's Disclosure of Asserted Claims and Infringement Contentions	05/17/2024
2	e-Vision's Document Production Accompanying Infringement Contentions	05/17/2024

4	Luxottica's Document Production Accompanying Invalidity Contentions	07/12/2024

5	Exchange of Proposed Terms/Elements for Claim Construction	07/26/2024
6	Exchange of Preliminary Constructions and Extrinsic Evidence	08/09/2024
7	Joint Claim Construction and Prehearing Statement	08/16/2024
8	Opening Claim Construction Brief (Simultaneous)	08/30/2024
9	Responsive Claim Construction Brief (Simultaneous)	09/27/2024
10	Claim Construction Hearing	10/11/2024 at 10:00 a.m.
11	Last Date to file dispositive and *Daubert* Motions. Such motions due at least 5 weeks before hearing.	02/28/2025

Additionally, the Court corrects a typographical error in the scheduling order (Dkt. 54): the non-expert discovery cutoff is reset from November 8, 2025, to November 8, 2024.

The parties agree that items 1–4 in the table above (infringement and invalidity contentions and accompanying document production) should be governed by specific patent rules. Plaintiffs propose using Judge Guilford's rules attached as Exhibit A to the stipulation and propose that items 1 and 3 be preliminary contentions. Defendants propose using the Northern District of California's Patent Local Rules. The Court hereby **adopts Judge Guilford's rules** to govern items 1–4, including any proposed amendments to contentions.

IT IS SO ORDERED.
