Counsel,

The parties' requests to seal the hearing room for oral argument in IPR2024-00935 and IPR2024-00936 are granted. The hearing will be sealed and the transcript will be filed under seal. The parties will have a predetermined amount of time to file agreed-upon redactions to the hearing transcript.

Regards,

Andrew Kellogg,

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

Pursuant to the Order Setting Oral Argument (Paper 41), 37 C.F.R.§ 42.54, and the proposed

Protective Order submitted by Patent Owner as Exhibit A to Patent Owner's Motion for Entry of Default Protective Order and Motion to Seal (Paper 18), the parties respectfully request that the oral hearing for the above-captioned case be conducted in a sealed courtroom for purposes of presenting and discussing ParkerVision's confidential information. For the same reasons discussed in the motions to seal previously filed by the parties (*see* Papers 18, 20, 43, 46, 51, 55, 57, and 59), good cause exists for sealing the oral hearing.

Accordingly, the parties respectfully request that the Board sealed the oral hearing in IPR2024-00935 scheduled for September 10, 2025 at 10:00 a.m. ET.

Respectfully submitted,

Taylor Lepore
Associate
