"UtiliBRA-vo" Infringement Claim Chart for
U.S. Patent No. 10,869,510 ("the '510 Patent")

Rabbit's making, using, offering, selling, and importing the UtiliBRA-vo product directly and indirectly infringes Claims 1, 2, 7, 11, 12, and 15 of the '510 Patent. The UtiliBRA-vo features each element of each of those claims literally or by the doctrine of equivalents. Rabbit also inserts a phone into the back pocket of the UtiliBRA-vo product, directly infringing dependent Claims 9 and 16 literally or by the doctrine of equivalents—which it also knowingly and intentionally induces purchasers and users of the product to do.
