Before MICHAEL R. ZECHER, DANIEL J. GALLIGAN, and GARTH D. BAER, *Administrative Patent Judges.*

ZECHER, *Administrative Patent Judge*.

ORDER
Conduct of the Proceedings
37 C.F.R. § 42.5(a)

[1] This Order addresses an issue that is identical in all six proceedings. We, therefore, exercise our discretion to issue one Order to be filed in each proceeding. The parties, however, are not authorized to use this style heading in any subsequent papers.

I. DISCUSSION

On September 15, 2025, a consolidated oral argument was held for IPR2024-00863, IPR2024-00864, and IPR2024-00865. On October 14, 2025, a consolidated oral argument was held for IPR2024-01109, IPR2024-01190, and IPR2024-01191. Per the parties' joint request, these two hearings were closed to the public because the parties informed the Board that they intended to discuss business confidential information subject to the parties' Joint Proposed Protective Order. Ex. 2161.[2]

We recently entered a non-public, unredacted version of the hearing transcript into the records for IPR2024-00863, IPR2024-00864, and IPR2024-00865. *See* IPR2024-00863, Paper 79; IPR2024-00864, Paper 79; IPR2024-00865, Paper 78. We also recently entered a non-public, unredacted version of the hearing transcript into the records for IPR2024-01109, IPR2024-01190, and IPR2024-01191. *See* IPR2024-01109, Paper 82; IPR2024-01190, Paper 78; IPR2024-01191, Paper 79.

After reviewing these hearing transcripts, we agree that they discuss business confidential information previously designated by each party. In each proceeding, the parties must file a public, redacted version of the applicable hearing transcript that strikes the appropriate balance between the public's interest in maintaining a complete and understandable file history and the parties' interest in protecting their business confidential information.

[2] The parties' Joint Proposed Protective Order is Exhibit 2161 in all six proceedings.

II. ORDER

Accordingly, it is ORDERED that, no later than ten (10) business days from entry of this Order, the parties' must file public, redacted versions of the following papers: (1) Paper 79 in IPR2024-00863; (2) Paper 79 in IPR2024-00864; (3) Paper 78 in IPR2024-00865; (4) Paper 82 in IPR2024-01109; (5) Paper 78 in IPR2024-01190; and (6) Paper 79 in IPR2024-01191.
