Supplemental Declaration of Christian Gunther

1. My name is Christian Gunther and I make this declaration in support of the amended petition filed substantially concurrently herewith under 37 CFR 42.405 filed by Persephone GmbH in the above identified matter.

2. I am named as inventor in United States Patent Application No. 15/368221. I have assigned my rates to the petitioner, Persephone GmbH (hereafter "Persephone")

3. As a result of going through evidence and speaking with others with whom I worked during the time period in question, my recollection of the events has been refreshed and I wish to make some minor corrections to my previous declaration.

4. More particularly, when I stated that a number of additional employees of Credit Suisse were brought to the meeting by Accenture, this was incorrect. What actually happened was that I learned that one of my fellow students who worked with me on the project, in addition to Mr. Winzenreid, was also an intern at Credit Suisse, for a total of two Credit Suisse employees at the meeting.

5. I affirm that I have read that Amended Petition filed by Persephone GmbH and that I am familiar with its contents, and that the statements made therein are true and correct.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of my applications and petition or any patent or patents issued thereon.

Further declarant sayeth not.

Ch. Gunther
