UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

WIZ, INC.,
Petitioner,

v.

ORCA SECURITY LTD.,
Patent Owner.

IPR2024-01191
Patent 11,775,326

PATENT OWNER'S MOTION TO SEAL

Pursuant to 37 C.F.R. §§ 42.14 and 42.54, Patent Owner Orca Security Ltd. ("Orca" or "Patent Owner") respectfully requests the Board authorize the filing under seal of Patent Owner's Demonstratives filed concurrently herewith.[1] Good cause exists to seal this document.

Patent Owner's Demonstratives cite, rely on, and excerpt the arguments contained in Patent Owner's Response (Paper 29), which was filed concurrently with a Motion to Seal (Paper 30), Patent Owner's Sur-Reply (Paper 57), which was filed concurrently with a Motion to Seal (Paper 58), and all exhibits filed concurrently therewith and in connection with the present IPR action. In Paper 32, the Board agreed that the Patent Owner's Response and the confidential exhibits thereto contained "business confidential information" of both parties and accordingly granted Patent Owner's Motion to Seal and entered the parties' Joint Proposed Protective Order. Paper 32 at 5, 7.

Patent Owner's Demonstratives discuss the same information that Patent Owner sought to seal in its Motions to Seal (Papers 30 and 58), and accordingly, Patent Owner moves to seal Patent Owner's Demonstratives; good cause exists to seal the information for the reasons detailed in Papers 30, 32, and 58.

---

[1] Patent Owner will file redacted copies of Patent Owner's Demonstratives after conferring with Petitioner.

For the reasons set forth above, Patent Owner respectfully requests the Board grant this motion to seal.

Respectfully submitted,

Dated: October 10, 2025
