Stratus Medical was recognized in Malibu, CA this week by the Pepperdine Most Fundable Companies List. Stratus competed against more than 2,300 early-stage US companies in a rigorous process to be named one of 17 Most Fundable Companies for 2024.

The Pepperdine Most Fundable Companies List initiative aims to educate founders on the investor diligence process and recognize exceptional entrepreneurs who are solving today's problems with inventive solutions and are also seeking investment capital to fuel their company's growth.
