PATENT OWNER'S WAIVER OF PRELIMINARY RESPONSE

The Patent Owner, Stratus Medical, LLC, hereby notifies the Board, as a courtesy, that Stratus elects to waive its right to file a preliminary response to the petition (Paper 1). By doing so, Stratus does not concede that any challenge in the petition has a reasonable likelihood of prevailing, that trial should be instituted in this case, or that any challenged claim is unpatentable. Stratus reserves all rights to argue for the patentability of the challenged claims and to dispute assertions made in the petition in this trial, if instituted, or in any other forum or proceeding. Stratus's election not to file a preliminary response should not be construed as acquiescence to or agreement with any position taken in the petition.

Respectfully submitted,
