THE hydrafacial™ COMPANY

EXPECT EVERYTHING WITH THE NEW HYDRA™

Everything, Even Better!
More Performace. More Features. More Profits

HydraFacial™ MD Elite

Features

Technology Enabled Personalisation

HydraFacial Elite offers a non-invasive, multi-step treatment that combines the benefits of next-level hydradermabrasion, a chemical peel, painless extractions, and a special delivery of antioxidants, hyaluronic acid, and peptides.

Even More Ways to Personalise Every HydraFacial

The new HydraFacial Elite delivers remarkable results for every skin type and new opportunities for every practice. Discover hundreds of customizable treatment combinations to personalize every HydraFacial experience for any skin concern with tips, boosters, and other enhancements.

Personalised Power

The latest protocols, regimen building tools, and multi-language capabilities packed into our new, advanced user interface.
