Executed Assignment

Submitted by Petitioner

PTAB Case No. DER2017-00004

ASSIGNMENT

WHEREAS, Persephone GmbH (hereinafter "Assignor"), a company organized and existing under the laws of the Country of Switzerland, with its principal office at St. Johannis-Ring 79, Basel, CH-4056, Switzerland, is the owner by assignment of an invention entitled "Electronic Platform for Managing Investment Products", which invention is the subject of United States Patent Application No. 15/368,221, filed on December 2, 2016;

WHEREAS, Christian Günther, a citizen of Germany residing at St. Johannis-Ring 79, Basel, CH-4056, Switzerland (hereinafter "Assignee"), wishes to have assigned to him by Assignor all of Assignor's right title and interest in and to said invention, said above-identified application and any other application for Letters Patent of the United States of America based on said invention, including all divisional, continuing, renewal, reissue, or other applications based upon said application and for all foreign patents based on said invention or on any of said applications and/or claiming priority therefrom (hereinafter referred to as the "Patent Rights"); and

WHEREAS, Assignor is desirous of assigning all of its right title and interest in and to said Patent Rights to Assignee.

NOW THEREFORE in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor, by these presents does sell, assign and transfer unto the said Assignee, its entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to the Patent Rights.

TO BE HELD AND ENJOYED by said Assignee, and its legal representatives and assigns to the full ends of the terms for which said patents, or any of them, have been granted as fully and entirely as the same would have been held and enjoyed by Assignor had no sale and assignment of said interest been made; and Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to substitute Assignee for Assignor as the Petitioner in derivation proceeding DER2017-00004, which is pending before the U.S. Patent Trial and Appeal Board, and to issue any and all Letters Patent which may be granted upon the said Patent Rights to Assignee.

Assignor hereby agrees for itself, its legal representatives, successors and assigns to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by Assignee fully to secure to Assignee its interest as aforesaid in and to said Patent Rights or any part thereof.

Assignor does hereby covenant for itself, its legal representatives, successors and assigns and agree with Assignee, and its legal representatives, as of date of the execution of this Assignment that Assignor then had good right and title in and to the Patent Rights and that Assignor has not executed and will not execute any instrument in conflict therewith.

IN WITNESS WHEREOF, Assignor has duly caused this Assignment to be executed and to be effective as of the date set forth below. Christian Günther, who is signing this Assignment on behalf of Assignor as its CEO warrants that he has the authority to enter into this Assignment on behalf of Assignor and that Assignor will be bound hereby.
