UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

AZURITY PHARMACEUTICALS, INC.,
Petitioner,

v.

HELSINN HEALTHCARE S.A.,
Patent Owner.

Case No. IPR2025-00948
Patent No. 9,943,515

PETITIONER'S REQUEST FOR ORAL ARGUMENT

37 C.F.R. §42.70(a)

The petitioner (Azurity) requests oral argument regarding its challenge to the patentability of claims of U.S. Patent No. 9,943,515 and related issues that have been briefed.

Azurity requests an in-person hearing be held at the USPTO's Alexandria, Virginia office. Because the issues in all five inter partes reviews (IPR2025-00945 – IPR2025-00949) substantially overlap, Azurity requests no more than one hour of oral argument per side for all five IPRs together. The oral argument is currently scheduled to be held September 2, 2026, pursuant to Paper No. 13.

Respectfully submitted,

Dated: 8 July 2026
