Statement concerning the sale of the "unix.nl" domain [Dutch only].

Conferences

Twice a year the NLUUG organizes a conference. These offer an excellent opportunity to meet other Unix users, suppliers and researchers. On top of that special events are organized if called for. (Have a look at the conference pictures UPDATED). More information about upcoming and previous events can be found in the calender of events.

NLUUG award NEW

The board calls on all to recommend candidates for the upcoming conferment of the NLUUG award at award@nluug.nl. A description of the rules and regulations can be found here. [Dutch only]
