Roulette Odds and Payouts

If you want to learn how to play roulette, then you are going to need to understand all of the odds and payouts involved in the game. There are many different roulette bet types you can place, and each one will offer different payouts and odds. In this guide, we will take a detailed look at all the different payouts, find out whether roulette strategies can influence them, and more.

Odds and Potential Payout in Inside Bets

The following table shows the payouts of all of the inside bets you can place in Roulette. Inside bets are bets placed on the inside portion of the roulette table. These will cover a smaller, more specific amount of numbers.

Bet	European Roulette Payout	American Roulette Payout
Straight Up	35:1	35:1 (37/1 Odds)
Split	17:1	17:1
Street	11:1	11:1
Corner	8:1	8:1
Basket	N/A	6/1
Line	5:1	5:1

Odds and Potential Payout in Outside Bets

Outside bets are bets placed on the outside of the roulette. These are the most commonly placed types of bets and cover a wider selection of numbers with more favourable chances. Let's take a look at the odds and payouts of outside bets.

Bet	European Roulette Odds	American Roulette Odds
Red/Black	1:1	1:1
Odd/Even	1:1	1:1
High/Low	1:1	1:1
Column	2:1	2:1
Dozen	2:1	2:1
