Patent Owner

IPR2025-01208

Patent No. 11,974,143

PETITIONERS' REQUEST FOR ORAL ARGUMENT

Pursuant to 37 C.F.R. § 42.70(a) and the Board's Amended Scheduling Order, Petitioners hereby respectfully request an **in-person hearing** at the USPTO Office in Alexandria, Virginia. The oral hearing is currently scheduled for September 30, 2026. The oral hearing is also scheduled for the same day and before the same panel as cases IPR2025-01206, IPR2025-01207, and IPR2025-01209 involving related patents. Petitioners therefore request that the oral hearing be consolidated with those three cases. Petitioners request that each side be allotted **ninety (90) minutes total** for argument in the consolidated hearing.

The issues to be argued include:

1. The patentability of the challenged claims of U.S. Patent No. 11,974,143;
2. Any other issues the Petitioner and Patent Owner properly raised in the Petition, Patent Owner Response, Reply, and Sur-reply in the proceeding;
3. Any procedural or evidentiary issues raised in such briefing; and
4. Any other issues that the Board deems necessary for issuing a final written decision.

Petitioners request the ability to use audio/visual equipment to display demonstratives and exhibits at the oral hearing, to the extent available at the time of the hearing.

Petitioners understand that Patent Owner will be requesting that all eleven proceedings between the parties should be consolidated into a single hearing.

Petitioners oppose that request because the eleven proceedings involve different panels and non-overlapping issues.
