Avidbots Corporation, et al.

NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Thursday, June 5, 2025:

MINUTE entry before the Honorable M. David Weisman: Magistrate status hearing held. Discussion held regarding discovery scheduling. The Court adopts the parties' agreed schedule up to the filing of the Joint Claim Construction Chart on 5/20/25, as set forth in Revised Exhibit 1 (Dkt. # 40−1.) In its discretion and for the reasons stated on the record, the Court declines to schedule dates beyond the agreed May 20, 2026 date for filing the Joint Claim Construction Chart. The parties have agreed to extend Brain's deadline to respond to Avidbots's counterclaims by 30 days, until 7/9/25. The parties agree that the LPR 2.1 deadline and the commencement of fact discovery on Avidbots's counterclaims is 7/23/25, which is 14 days after Brain's deadline to respond to Avidbots's counterclaims. Discussion held as to the number of permitted search terms and cost shifting. If this case were brought as two independent cases, under the Local Patent Rules, 10 custodians and 10 search terms with no cost shifting would apply; accordingly, considering the counterclaim and in the Court's discretion, it finds the same parameters are appropriate in this case. Brain to send Avidbot modified search terms for Google−related searches. Defendant to provide hit reports for both Google and Slack searches by 6/23/25 if feasible. Further, Avidbot to file a Status Report on 6/23/25 addressing the status of the hit report(s), specifically that the Google hit report has been provided to Plaintiff, and whether any technical issues still exist with the Slack−related ESI or if a usable hit report has been provided to Plaintiff. Status hearing set for 9/9/25 at 2:00 p.m. Joint status report due by noon on 9/5/25 setting forth the status of ESI; a proposed deposition schedule, if appropriate; and any other issues the parties wish to raise. If any unresolvable issues arise, the parties shall promptly bring those to the Court's attention via motion or by jointly contacting the Courtroom Deputy, Alyssia_Owens@ilnd.uscourts.gov. Mailed notice (ao,)
