Dear Director,

Patent Owner does not oppose Petitioner filing the court's stay order as an exhibit in IPR2026-00065, IPR2026-00066, and IPR2026-00067, but notes the order has no impact on the merits of the claim construction, indefiniteness, written description, and enablement issues raised in the pending petition for director review.

Respectfully,
Donald L. Jackson

To the Director:

The undersigned is lead counsel for Petitioners in the above-referenced IPRs.

Pursuant to counsel's duty of candor to the Board, Petitioners write to notify the Director that the Court in the co-pending litigation between Petitioner Apple and Patent Owner MYW Semitech, LLC (Case No. 1:25-cv-00504 pending in the District of Delaware) has stayed the underlying litigation. The Court issued its order yesterday, noting that "the court grants defendant's motion (Doc. 110) and stays this case pending the final resolution of the *inter partes* review proceedings in IPR2026-00065, IPR2026-00066, and IPR2026-00067." ECF Doc. 118, at 3-4 (attached). Petitioners respectfully seek permission to file the Court's order as a formal exhibit in this proceeding.

Respectfully submitted,

Jennifer C. Bailey
Lead Counsel for Petitioners
