Start of hearing: 9:00 a.m.

The parties will discuss the amount in dispute.

The following

decision is made:

The amount in dispute is set at €4,000,000.00.

The plaintiff's representative submits motions from the statement of claim dated September 29, 2025, as amended on December 3, 2025.

The defendant's representative moves to dismiss the action and submits the motions announced in the answer of October 29, 2025.

The following

decision is issued:

The supplementary confidentiality request from the rejoinder dated November 27, 2025 is granted.

The defendant's representative declares that he is submitting a request for costs in relation to the withdrawal of the action.

The court then introduces the facts and the state of the

dispute. The hearing is adjourned from 10:35 a.m. to 10:47

a.m. The parties' representatives discuss the matter.

The defendant submits Exhibit HL 16 and states that the exhibit has already been submitted via beA.

The hearing is then briefly interrupted at 12:24 p.m. The

interrupted hearing is resumed at 12:33 p.m.

The following

decision is made:

A decision will be made at the end of the day's proceedings, no earlier than 3:30 p.m.

When the case is called again at 4:30 p.m., no one appears. The

presiding judge announces

the

final judgment.
