Notice to User: Pursuant to Section 287(a) of Title 35 of the United States Code, the reader is hereby placed on notice of NIKE's rights in the patents, patent applications, and published patent applications ("IP Rights") listed below. The patent process is dynamic, and the content of the below table may change due to events including, but not limited to: the filing, publication, issuance, or licensing of IP Rights; product changes or the introduction of new product; the expiration or abandonment of IP Rights; the invalidation or limitation of IP Rights by judicial interpretation; and other circumstances. NIKE updates the content of this table continuously and consistently, but NIKE advises visitors to return frequently as each entry in the table is subject to change. Efforts will be made to maintain the availability of this website, but this list may be unavailable from time to time without notice as part of maintenance or an unintended outage. This list may not be all inclusive of products or IP Rights, and other products not listed here may be associated with one or more IP Rights in the United States or elsewhere. Absence of any IP Rights from this list does not prevent enforcing any and all legal rights associated with the property.
