Attorneys for Cortex MCP., Inc.

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

CORTEX MCP, INC., Plaintiff, v. VISA, INC. Defendant.	CASE NO. 5:23-CV-05720-EJD

PARTIES' JOINT CLAIM CONSTRUCTION AND PREHEARING STATEMENT PURSUANT TO PATENT L.R. 4-3

Pursuant to Patent L.R. 4-3, Plaintiff Cortex MCP, Inc. ("Cortex") and Defendant Visa Inc. ("Visa") submit this Joint Claim Construction and Prehearing Statement.

I. PATENT L.R. 4-3(A): AGREED CLAIM CONSTRUCTIONS

The parties do not agree on any claim constructions.

II. PATENT L.R. 4-3(B): DISPUTED CLAIM CONSTRUCTIONS

The parties dispute the construction of the claim terms as set forth in Exhibit A.

Each party reserves the right to rely on any intrinsic or extrinsic evidence identified by the other party. In addition, each party reserves the right to amend, correct, or supplement its claim construction positions and supporting evidence in response to any change of position by the other

party, including any amendments to Cortex's infringement contentions, Visa's invalidity contentions, or for other good cause.

III. PATENT L.R. 4-3(C): IDENTIFICATION OF MOST SIGNIFICANT TERMS

The parties identify "scan" / "scanned," and "credential" as the most significant terms. The construction of term "scan" / "scanned" may be dispositive of Cortex's claims for infringement of the '531 and '854 patent. The construction of the term "credential" may be case dispositive. Visa also identifies "qualifications" to be a significant term. The construction of the term "qualifications" may be dispositive for a majority of the asserted claims in all asserted patents.

IV. PATENT L.R. 4-3(D): ANTICIPATED LENGTH OF TIME FOR HEARING

The parties anticipate the length of time necessary for the claim construction hearing will be two hours, divided equally between the parties.

V. PATENT L.R. 4-3(E): ANTICIPATED WITNESSES AT THE HEARING

The parties do not propose to call any live witnesses, including expert witnesses, at the claim construction hearing.

VI. PATENT L.R. 4-3(F): REQUESTED FACTUAL FINDINGS

The parties do not request any factual findings from the Court related to claim construction.
