In the Matter of **CERTAIN DISPOSABLE VAPORIZER DEVICES**	**Inv. No. 337-TA-1410**

NOTICE OF INSTITUTION OF INVESTIGATION

Institution of investigation pursuant to 19 U.S.C. 1337

AGENCY: U.S. International Trade Commission

ACTION: Notice

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on June 11, 2024, under section 337 of the Tariff Act of 1930, as amended, on behalf of RAI Strategic Holdings, Inc. of Winston-Salem, North Carolina; R.J. Reynolds Vapor Company of Winston-Salem, North Carolina; R.J. Reynolds Tobacco Company of Winston-Salem of North Carolina; and RAI Services Company of Winston-Salem, North Carolina. Supplements were filed on June 12, 2024 and July 1, 2024. The complaint, as supplemented, alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain disposable vaporizer devices and components thereof by reason of the infringement of certain claims of U.S. Patent No. 11,925,202 ("the '202 patent"). The complaint further alleges that an industry in the United States exists as required by the applicable Federal Statute.

The complainant requests that the Commission institute an investigation and, after the investigation, issue a general exclusion order, or in the alternative a limited exclusion order, and cease and desist orders.

A motion for temporary relief filed concurrently with the complaint, requests that the Commission issue a temporary exclusion order and temporary cease and desist orders prohibiting the importation into and the sale within the United States after importation of certain disposable vaporizer devices and components thereof during the course of the Commission's investigation.

ADDRESSES: The complaint, except for any confidential information contained therein, may be viewed on the Commission's electronic docket (EDIS) at https://edis.usitc.gov.
