IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ERICSSON INC. and CELLCO PARTNERSHIP D/B/A VERIZON WIRELESS.
Petitioner,

v.

PROCOMM INTERNATIONAL PTE. LTD

Patent Owner,

U.S. Patent No. 7,724,521

Issue Date: May 25, 2010

Title: SYSTEMS AND METHODS FOR VENTURI-ASSISTED COOLING

Inter Partes Review No.: IPR2024-01454

PETITIONER'S REQUEST FOR PARTIAL REFUND OF IPR REQUEST FEES

Petitioners Ericsson Inc. and Cellco Partnership D/B/A Verizon Wireless request a refund of post-institution fees in the amount of $22,500.

On December 31, 2024, Petitioners filed a Petition for Inter Partes Review of U.S. Patent No. 8,583,100. As required by 37 C.F.R. § 42.15(a), Petitioners deposited $41,500 with the U.S. Patent and Trademark Office ("USPTO") at the time of filing the Petition to cover associated fees. Petitioners' payment consisted of $19,000 in fees associated with the request for Inter Partes Review, and a further $22,500 in post-institution fees.

Subsequent to the filing of the Petition, the Director issued a new set of guidelines related to the exercise of discretion. On June 25, 2025, the Director issued an Order terminating this proceeding upon granting Patent Owner's Request for Discretionary Denial and Denying Institution of this proceeding, for the same reasons as IPR2024-01455 ("*the discretionary considerations favor discretionary denial for the same reasons set forth in IPR2024-01455"*.). Paper 16. The Board never considered the Petition, nor were the merits considered. Minimal resources were expended pre-institution and a Director's Review is otherwise subject to $452 fee. (See 42.15(f)). Therefore, in light of the above, Petitioners requests a partial refund of the IPR request fees paid to the USPTO in connection with this proceeding, in the amount of $18,548, to be paid to deposit account No. 04-01679 (referencing Attorney Docket No. G2801-00042).
