

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ARRIS GROUP, INC
and SOURCE PHOTONICS, INC.,
Petitioner,

v.

CIRREX SYSTEMS LLC,
Patent Owner.

Case IPR2014-01077
Patent 6,208,783 B1

Before MEREDITH C. PETRAVICK, TRENTON A. WARD, and
BRIAN P. MURPHY, *Administrative Patent Judges*.

WARD, *Administrative Patent Judge*.

JUDGMENT
Termination of the Proceeding
37 C.F.R. § 42.73

The Board instituted *inter partes* review of claims 1 and 2 of U.S. Patent No. 6,208,783 B1 (Ex. 1001, “the ’783 patent”) on December 23, 2014. Paper 6, 23. On May 7, 2015, Patent Owner filed a request for adverse judgment, asking that the Board cancel all claims on which trial was instituted, i.e., claims 1 and 2 of the ’783 patent, and enter judgment against Patent Owner. Paper 12, 2. Under 37 C.F.R. § 42.73(b), a party may request judgment against itself at any time during a proceeding.

Patent Owner has requested cancellation of all claims on which trial was instituted in this *inter partes* review, such that after the cancellation there will be no remaining claim in the trial. Patent Owner also expressly requested entry of adverse judgment and “concedes the unpatentability” of claims 1 and 2 of the ’783 patent. Paper 12, 2.

Accordingly, it is hereby

ORDERED that Patent Owner’s request for adverse judgment with respect to claims 1 and 2 of U.S. Patent No. 6,208,783 B1 is GRANTED;

FURTHER ORDERED that judgment is entered herein against Patent Owner with respect to claims 1 and 2 of U.S. Patent No. 6,208,783 B1. Claims 1 and 2 of U.S. Patent No. 6,208,783 B1 are not patentable and shall be cancelled; and

FURTHER ORDERED that this proceeding is hereby terminated.
