Mar. 28, 2020		IMPORTANT NOTICE: The United States District Court for the Western District of Pennsylvania (WDPA) will be upgrading its current CM/ECF system to the Next Generation of CM/ECF (NextGen CM/ECF) on Monday, May 26, 2020. Complete information, including a checklist of actions regarding the WDPA NexGen CM/ECF implementation, can be found at here . Currently, multiple attorneys within a firm may share a single PACER account. Shared PACER accounts cannot be used by WDPA e-filing attorneys once the WDPA NextGen CM/ECF system is implemented. Each attorney must have an individual upgraded PACER account that will be linked to the e-filing account. If you have an upgraded PACER account, no action is required until after the WDPA NextGen CM/ECF upgrade on May 26, 2020. You have an upgraded PACER account if you (1) e-file in another NextGen court, or (2) created your PACER account after August 10, 2014. If neither of these are true, you must upgrade your legacy PACER account before you will be able to link your PACER account to your current WDPA CM/ECF account for your new NextGen CM/ECF account. Further informational notices will be sent later, but if you have questions about upgrading your PACER account, please contact the PACER Service Center at 800-676-6856. Apr. 26, 2020		IMPORTANT NOTICE: The United States District Court for the Western District of Pennsylvania will be upgrading its current CM/ECF system to the Next Generation of CM/ECF on May 26, 2020. Complete information, including a checklist of actions regarding the WDPA NexGen CM/ECF implementation, can be found here. Preparing for NextGen is a two-step process. The first step is to upgrade any legacy PACER accounts. Each attorney must have an individual upgraded PACER account in order to electronically file after our conversion to NextGen. The second step will be to link that upgraded PACER account with your WDPA CM/ECF account after the Court goes live with NextGen. To link your account, you will need your current e-filing credentials from our Court. If your CM/ECF login contains a special character (such as &, @, $, *), you will need to change it as logins with those characters will be unable to link to PACER accounts. No later than Thursday, May 21, 2020, you should log into both PACER and the current version of CM/ECF to (1) review and record your current e-filing credentials for both, as you will need to know them in order to e-file after May 23, 2020 and (2) ensure that your primary email address to receive Notices of Electronic Filings (NEF) is accurate. Failure to provide an accurate email address may result in a delay in receiving NEFs after the Court converts to NextGen. (Administrator,) (ADI) (Entered: 04/26/2020)
