Align Technology is a global medical device company that is changing lives through better smiles. We reimagine and reinvent the way dental treatment is presented and delivered to millions of people around the world. We are a leading provider of advanced digital dentistry platforms. The following Align Technology products are protected by patents in the United States and elsewhere. This web page is provided to satisfy the virtual patent marking provisions of various jurisdictions including the virtual patent marking provisions of Section 16 of the America Invents Act. It is also intended to serve as notice under 35 U.S.C. § 287(a). Other products not listed here may be protected by one or more patents in the United States and elsewhere. Additional patents are pending in the United States and elsewhere.
