and the inventions disclosed therein;

WHEREAS, Rothschild Trust Holdings, LLC is a limited liability company organized under the laws of the State of Florida with its principal place of business located at 19333 Collins Avenue, #2501, Sunny Isles Beach, Florida 33160, "Assignee", desires to acquire the entire right, title and interest in and to said inventions and in and to the above-identified Patent Applications of the United States;

NOW,THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors and assigns, the entire right, title and interest in and to the above-identified Patent Applications and the inventions disclosed therein, including any corresponding foreign patent rights and the right to sue for past infringements of any Patents which may be granted therefor to said Assignee, its successors, assigns or other legal representatives, and, upon the request and at the expense of said Assignee, Assignor will execute any additional or divisional applications for patents for said inventions, or any part thereof, and for the reissue of any Letters Patents to be granted therefor, to be held and enjoyed by Assignee as fully and entirely as they would have been held and enjoyed by Assignor to the end of the term for which the resulting Patents have been granted.

Upon said considerations, Assignor hereby agrees with Assignee that Assignor will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, at any time upon request, without further or additional consideration, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect Assignee's enjoyment of this grant.

And the Commissioner of Patents is Hereby Authorized and Requested to issue any and all Letters Patents of the United States for said inventions, to said Assignee.
