

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

AT&T CORP.,
Petitioner,

v.

COMCAM INTERNATIONAL, INC.,
Patent Owner.

Case IPR2015-00086
Patent 6,975,220 B1

Before MICHAEL R. ZECHER, NEIL T. POWELL, and
FRANCES L. IPPOLITO, *Administrative Patent Judges*.

POWELL, *Administrative Patent Judge*.

JUDGMENT
Termination of the Proceeding
37 C.F.R. § 42.73

On December 10, 2014, the parties filed a joint motion (Paper 8) to terminate this proceeding. The parties also filed a copy of their written settlement agreement (Exhibit 1014), as well as a joint motion (Paper 9) to treat the settlement agreement as business confidential information under

35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c).

This proceeding is still in its preliminary stages. Patent Owner has not yet filed its preliminary response, and the Board has not yet instituted a trial. The parties represent that the related district court case involving U.S. Patent No. 6,975,220 B1 (“the ’220 patent”) has been dismissed with prejudice. Paper 8, n.1. In addition to the related district court case between the parties, the parties identify seven other related district court cases involving the ’220 patent. *Id.* at 3–5. Of these seven other district court cases, the parties represent that only one remains pending: *ComCam International, Inc. v. Mobotix Corp.*, Case No. 2:13-cv-00798-JRG, filed in the U.S. District Court for the Eastern District of Texas. Paper 8, 3. In connection with this, the parties also note that Mobotix Corporation has filed a petition for *inter partes* review of the ’220 patent, which is pending as *Mobotix Corporation v. ComCam International, Inc.*, Case IPR2015-00093. Paper 8, 3. Under the circumstances, the Board determines that it is appropriate to terminate this proceeding without rendering either a decision to institute or a final written decision. *See* 37 C.F.R. § 42.72.

In consideration of the foregoing, it is hereby:

ORDERED that the parties’ joint request that the settlement agreement (Exhibit 1014) be treated as business confidential information under 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c) is GRANTED; and

FURTHER ORDERED that the joint motion to terminate the proceeding is GRANTED and this proceeding is hereby terminated.
