I. INTRODUCTION

Petitioner and Patent Owner jointly request that the above-referenced *inter partes* review proceedings be terminated pursuant to a settlement. On January 31, 2020, with our authorization, Petitioner filed a Joint Motion to Terminate Proceeding (Paper 83), a copy of a Confidential Settlement Agreement (Ex. 1072), and a Joint Motion to Treat as Confidential (Paper 85) in IPR2019-00294. Petitioner filed similar documents in IPR2019-00295 and IPR2019-00564.

II. DISCUSSION

Under 35 U.S.C. § 317(a), “[a]n *inter partes* review instituted under this chapter shall be terminated with respect to any petitioner upon the joint request of the petitioner and the patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” Section 317(b) requires that any agreement between the parties, including collateral agreements, made in connection with the termination of an *inter partes* review “shall be in writing and a true copy of such agreement or understanding shall be filed in the Office before the termination of the *inter partes* review as between the parties.”

In the Joint Motion to Terminate Proceeding, the parties represent that they “have settled their dispute and have reached agreement to terminate these *inter partes* reviews, including all pending motions.” Paper 83, 1. The parties further represent that the patents at issue in these *inter partes* review proceedings, namely U.S. Patent Nos. 9,174,085 B2, 9,233,276 B1, and 9,861,855 B2 (“the ’085, ’276, and ’855 patents”), are the subject of pending

litigation,² and that the parties will file, within one (1) day of the grant of the present motion to terminate in each of these *inter partes* review proceedings, motions to dismiss the litigation involving the '085, '276, and '855 patents and litigation involving patents related to the '085, '276, and '855 patents. *Id.* at 3–4. The parties also represent that the Settlement Agreement has been made in writing, and that they filed a true copy of the same as Exhibit 1072. *Id.* at 1.

We instituted an *inter partes* review for each of these proceedings on June 5, 2019. Paper 20. We have not yet decided the merits of any of the proceedings, and a final written decision has not been entered in any of the proceedings. Given the present stage of the proceedings, the parties have shown adequately that termination is appropriate. Under these circumstances, we determine that good cause exists to terminate the proceedings. We further determine that the Settlement Agreement complies with the requirements for written agreements regarding termination set forth in 35 U.S.C. § 317(b).

With respect to the parties' Joint Motion to Treat as Confidential, we have reviewed the Settlement Agreement, and find the Settlement Agreement contains confidential business information regarding the terms of settlement. We determine that good cause exists to treat the Settlement Agreement as business confidential information pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c).

III. CONCLUSION

For the foregoing reasons, we grant the parties' Joint Motion to Terminate Proceeding and Joint Motion to Treat as Confidential in each of the proceedings. This determination does not constitute a final written decision pursuant to 35 U.S.C. § 318(a).

IV. ORDER

Accordingly, it is:
