I. INTRODUCTION

With the Board's authorization, Petitioner and Patent Owner ("Parties") filed a Joint Motion to Terminate this proceeding due to settlement. Paper 31² ("Joint Motion"). In support of the Joint Motion, the Parties filed a confidential settlement agreement in the form of a binding Term Sheet and corresponding exhibits (Ex. 1060 ("Settlement Agreement"); Ex. 3002³), as well as a Joint Request to File the Settlement Agreement as Business Confidential Information pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c) (Paper 32 ("Joint Request")).

II. DISCUSSION

Under 35 U.S.C. § 317(a), "[a]n *inter partes* review instituted under this chapter shall be terminated with respect to any petitioner upon the joint request of the petitioner and the patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed." Section 35 U.S.C. § 317(a) also provides that if no petitioner remains in the *inter partes* review, the Office may terminate the review. Section 317(b) requires that any agreement between the parties, including collateral agreements, made in connection with the termination of an *inter partes* review "shall be in writing and a true copy of such agreement or understanding shall be filed in the Office before the termination of the *inter partes* review as between the parties."

² For expediency, we cite to Papers and Exhibits in IPR2019-00380, unless otherwise indicated. Similar Papers and Exhibits were filed in IPR2019-00382, IPR2019-00383, and IPR2019-00386.

³ Though Ex. 3002 refers to IPR2019-00838, we understand IPR2019-00838 to mean IPR2019-00383.

The Parties represent that they have reached an agreement to jointly seek termination of this *inter partes* review proceeding (Joint Motion 1), the Settlement Agreement “is the sole document governing the Parties’ settlement of their dispute regarding the patents at issue in the related IPR proceedings” (Ex. 3001⁴), and that the filed copy of the Settlement Agreement is a true and complete copy (Joint Motion 1). The Parties further represent that the Settlement Agreement resolves all currently pending Patent Office and District Court proceedings between the Parties involving the ’281 patent. Joint Motion 1.

We instituted a trial on the above-identified proceeding on July 3, 2019. Paper 15. We have not yet held an oral hearing, decided the merits of the proceeding, or entered a final written decision. Under these circumstances, we determine that good cause exists to terminate the proceeding. We further determine that the Settlement Agreement complies with the requirements for written agreements regarding termination set forth in 35 U.S.C. § 317(b).

The Parties also filed a Joint Request that the Settlement Agreement be treated as business confidential information, and be kept separate from the file of the respective patents involved in this proceeding. Joint Request. We find that the Settlement Agreement contains confidential business information regarding the terms of settlement. We determine that good cause exists to treat the Settlement Agreement between Petitioner and Patent
