Subject: IPR2020-00558 - Follow-up to Order [Dkt. 22]

Dear Honorable Board,

This e-mail concerns IPR2020-00558, and the Order that issued yesterday [Dkt. 22]. There was a typo in our previous email. We apologize for the mix-up and misunderstanding.

On January 8, we filed a Motion to Exclude Evidence that was filed as **Paper 21** in IPR2020-00558. As evident from its cover page, this Motion was intended for a different IPR proceeding between the parties. We followed up with an email asking for the Motion to be removed from IPR2020-00558. However, there was a typo in our email, which asked that **Paper 20** be expunged. Our email was incorrect and should have asked to expunge Paper 21 from IPR2020-00558.

Paper 20 is a set of objections that was properly filed in IPR2020-00558.

We respectfully request that Paper 20 in IPR2020-00558 be restored and Paper 21 in IPR2020-00558 be expunged.

Respectfully submitted,

Harper Batts
