I. INTRODUCTION

With the Board’s authorization, Petitioner and Patent Owner (collectively, “the Parties”) filed a Joint Motion to Terminate in each of the above-captioned proceedings. Paper 38 (“Joint Motion”).² Along with the Joint Motion, the Parties filed a copy of a Settlement, Release and Patent License Agreement (Ex. 2019, “Settlement Agreement”), as well as a Joint Request that the Settlement Agreement be treated as business confidential information and be kept separate from the files of the patents involved in the above-captioned proceedings. Paper 39 (“Joint Request”).

II. DISCUSSION

Under 35 U.S.C. § 317(a), “[a]n inter partes review instituted under this chapter shall be terminated with respect to any petitioner upon the joint request of the petitioner and the patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” 35 U.S.C. § 317(a) also provides that if no petitioner remains in the *inter partes* review, the Office may terminate the review or proceed to a final written decision.

In the Joint Motion, the Parties represent that the Settlement Agreement resolves their disputes involving the patents at issue in the above-captioned proceedings. Joint Motion 1. The Parties “certify that there are no other agreements, oral or written, between the parties made in connection with, or in contemplation of, the termination of this inter partes

review proceeding.” *Id.* The Parties also represent that they have filed a true copy of the Settlement Agreement made in connection with, or in contemplation of, the termination of the above-captioned proceedings. *Id.* The Settlement Agreement states that it “constitute[s] the entire agreement between the Parties.” Settlement Agreement 22.

We instituted trial for each of the above-captioned proceedings (*see* Paper 8), but we have not yet decided the merits of the proceedings, and final written decisions have not yet been entered. Under these circumstances and in view of the Parties’ settlement, we determine that good cause exists to terminate the proceedings.

In the Joint Request, the Parties request that the Settlement Agreement be treated as business confidential information and be kept separate from the files of the patents involved in the above-captioned proceedings. Joint Request 1. After reviewing the Settlement Agreement, we determine that good cause exists to treat the Settlement Agreement as business confidential information pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c), and we grant the Parties’ request in that regard.

In the Joint Request, the Parties also “jointly request that the Board order that in the event a person or entity makes a written request, as stated in 37 C.F.R. § 42.74(c)(1)-(2), for access to the settlement agreement, that any such written request be served upon the parties on the day the written request is provided to the Board.” *Id.* The Parties have provided no basis for granting this request. Thus, we deny this part of the Parties’ request.

This Order does not constitute a final written decision pursuant to 35 U.S.C. § 318(a).
