The Court adopts parties' agreed discovery limitations. In addition, each side has two 30(b)(6) depositions. Requests for production are limited to 50; the parties shall take any disagreement regarding additional and number of search terms to the Magistrate Judge.

To the extent possible, discovery should be coordinated with the related case, particularly discovery of plaintiff's personnel, experts and inventors. The Court adopts plaintiff's patent specific dates except for 3.8 and 3.9 which the Court does not require.

The parties shall schedule with the Courtroom Deputy a tutorial on a Saturday morning at 8:00 a.m. between the opening and responsive Markman briefs.

Counsel inform the Court that their selection for a settlement procedure pursuant to Local Rule 16-15 is ADR #3, private mediation. The Court orders that any settlement discussions shall be completed not later than 30 days after the claim construction order is issued. Counsel shall file a Joint Report of the parties regarding outcome of settlement discussions, the likelihood of possible further discussions and any help the Court may provide with regard to settlement negotiations not later than seven (7) days after the settlement conference.
