Counsel,

Patent Owner's request for Director Review has been received in the above-referenced case. The Director will determine whether review will be granted or denied and the parties will be notified of the result of the Director Review request.

Thanks.

Dear Sir/Madam,

On Feb. 20, 2025, we filed a Request for Director Review of the Decision Concluding the Proceeding and paid the requisite fee. The Request shows up on the docket as Paper 77 (please see filing acknowledgement below) and the Receipt for payment (\$452.00) is attached.

I was asked to submit this information to this email address by the PTAB hotline representative, Mr. Andrew Kellogg, and asked to seek guidance from you on how to proceed in this matter. Mr. Kellogg told us that our Request for Director Review appears to have been filed as Other, but the acknowledgement below shows that the Request for Director Review was correctly filed.

Please let us know what Patent Owner needs to do in this matter to have our Request for Director Review be considered.

I have conferred with Petitioner ZyXEL's Counsel and copied Petitioner's Counsel on this email.

Thank you for your guidance in this matter.

Sincerely,

/s Jay P. Kesan

Counsel for Patent Owner.
