To the Honorable Board,

In connection with IPR2022-00182, the parties respectfully request a teleconference with the panel to discuss procedures on remand of this proceeding from the Federal Circuit. The parties propose that no further briefing is needed for the Board to address the remanded issue.

Patent Owner further proposes that the Office assign three new APJs with no prior connection to this case and that the new panel hold an Oral Hearing. Petitioner does not believe that a new panel is needed but does not oppose Patent Owner's request for one. Petitioner does not believe that an additional Oral Hearing is necessary, and notes that SOP 3 contemplates that no additional Oral Hearing is required in the present situation.

The parties are generally available for a teleconference to discuss the remand proceeding on December 31, and January 5 and 8. The parties can provide additional availability as needed.

Respectfully submitted,  
Andrew Radsch
