Honorable Board,

Patent Owner respectfully requests that the Board modify the due date for Patent Owner's response to the motion for joinder in each of these two cases to April 11, 2022.

These cases are two of five joinder cases filed February 10-14 against Patent Owner's patents (IPR2022-00518, IPR2022-00570, IPR2022-00572, IPR2022-00597 and IPR20220-0598). In the other three cases, the Board has not yet responded to Patent Owner's March 10 and 11 requests to modify the default schedule for responding to the joinder motions. It is noted that the POPR is due May 24, 2022 in all five cases.

For efficiency across these five related cases, Patent Owner is asking the Board to set the due date for the response to the motion for joinder in each case to April 11, 2022.

In these two cases, it is our understanding that Petitioners oppose this request and believe no more than a 2 week extension of the original default due date to be reasonable. In the other three cases,

Patent Owner is meeting and conferring and expects to contact the Board shortly.

Respectfully submitted,

Kenneth Weatherwax

Honorable Board,

Patent Owner respectfully requests authorization to seek an extension of the default due date for its response to Petitioner's motions for joinder filed in the two above-referenced proceedings. The two motions for joinder in these two proceedings are said to have been filed and served February 10, 2022, making the default due date for Patent Owner's responses to the motions at or about March 10, 2022. Patent Owner seeks a 2 week extension of the due date for its response to March 24, 2022.

I am authorized to state that this request is unopposed by the Petitioner entities in these proceedings.

The parties are available for a call if the Board deems one necessary.

Respectfully submitted,

Counsel for Patent Owner
