IPR2022-00950
Patent 6,721,705 B2

Before DAVID C. McKONE, PATRICK M. BOUCHER, and
STACEY G. WHITE, *Administrative Patent Judges*.

BOUCHER, *Administrative Patent Judge*.

DECISION
Settlement Prior to Institution of Trial
37 C.F.R. § 42.74

With our authorization, the parties filed a Joint Motion to Terminate this proceeding. Paper 9. The parties assert that “the dispute between the parties has been resolved,” and that they “jointly move to terminate the

present *inter partes* review proceeding with respect to both the Petitioner and Patent Owner,” in light of that resolution and “the executed written agreement regarding the parties’ resolution.” *Id.* at 2. The parties represent that Exhibit 1100, which we have reviewed, is “a true copy of the executed written agreement.” *Id.* The parties further represent that “the parties made no collateral agreements or understandings in connection with, or in contemplation of, the termination of the *inter partes* review.” *Id.*

In a separate paper, the parties state that they “consider the settlement agreement to contain highly sensitive business confidential information that would substantially harm their business interests if publicly disclosed.” Paper 10, 2. They accordingly request that the Board treat Exhibit 1100 as business confidential information and kept separate from the file of the involved patent. *Id.*

Although the Board denied institution of an *inter partes* review, Petitioner has requested rehearing of that Decision. Papers 7, 8. The Board has not yet decided whether to grant rehearing and institute a trial, and we determine that good cause exists to dismiss the Request for Rehearing and to terminate the preliminary proceeding. *See* 37 C.F.R. § 42.74. After reviewing the parties’ settlement agreement, we find that the settlement agreement contains confidential business information regarding the terms of settlement, and we determine that good cause exists to treat the settlement agreement as business confidential information. *See id.*
