Subject: IPR2022-01531 -- Petitioner's Request to File Supplemental Information

CAUTION: This email has originated from a source outside of USPTO. PLEASE CONSIDER THE SOURCE before responding, clicking on links, or opening attachments.

Dear Honorable Board,

Petitioner in the above-captioned proceeding, Synaffix B.V., respectfully requests a conference call for the purpose of seeking leave to file a motion to submit supplemental information. Specifically, Petitioner seeks leave to submit a recently-issued written decision of the European Patent Office Appeal Board revoking European Patent No. 2922818, which is related to the patent at issue in this IPR. Counsel for Petitioner has conferred in good faith with counsel for Patent Owner, Hangzhou DAC Biotech Co., Ltd., who have indicated that Patent Owner opposes Petitioner's request for leave.

Counsel for Patent Owner is copied on this email. Should the Board desire a conference call to

discuss Petitioner's request, the parties are available Monday, April 28th, from 10 am to 2 pm and 3 pm to 5 pm ET, as well as Tuesday, April 29th, from 9 am to 11 am, and noon to 5 pm ET. The parties can propose additional times of availability if needed.

Regards,
Michael Houston
