

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

MEDIVIS, INC.
Petitioner

v.

NOVARAD CORP.
Patent Owner

US Patent No. 11,004,271

Inter Partes Review No. IPR2023-00042

**PETITIONER REQUEST FOR ORAL ARGUMENT IN
INTER PARTES REVIEW OF US PATENT NO. 11,004,271**

Petitioner Medivis requests oral arguments in this IPR. Medivis prefers that the oral arguments be held virtually. Medivis does not need any special equipment for virtual oral arguments. Nonetheless, Medivis requests clarification as to how demonstratives will be handled with respect to virtual oral arguments.

Pursuant to 37 CFR 42.70(a), Medivis identifies the following issues for argument at the oral hearing:

- all of the issues raised in its Petition;
- all of the issues raised in its Reply;
- new issues raised in Patent Owner Novarad's Sur-reply; and
- all of the issues raised in any Medivis Motion to Exclude and any Novarad opposition thereto.

Medivis requests that the Board set aside one hour for each side to present arguments, thereby allowing two hours of oral arguments in this IPR.

Respectfully submitted,

Dated: December 12, 2022
